A VOTE FROM THE PRESIDENT

With the beginning of a new year, and an optimistic outlook for what the future holds, it is a pleasure to address you, the parents of students, as we enter the Spring semester. I invite you to take a moment to reflect on your Tiger and the progress that they may have made this academic year. Whether change has been easy or challenging, I encourage you to realize that your Tiger is growing in their personal qualities and leadership skills, with the goal of understanding how to apply them to their future. Leadership LSU is open to all juniors, seniors, and graduate students, but you do not have to be a student to be a part of the program. It is a great opportunity to become involved in the LSU community, and apply their leadership to high levels. Leadership LSU provides students in their final semesters the opportunity to be leaders in the community and to grow personally and professionally.
