A NOTE FROM THE PRESIDENT

Dear Parent,

As the academic year is coming to a close, I would like to extend my gratitude to the parents and families of LSU students for their continued support.

LSU is proud to be a place where students can earn their stripes. This year, we have welcomed thousands of new students, and there have been over 3000 graduating seniors. It is amazing to see students grow and learn while they are here.

We are committed to providing an exceptional education that will not only improve their lives, but the lives of others. Our students have also been recognized among the nation's top performers, with 10 more fellows from the National Science Foundation and another收到 the Udall Scholarship.

But their achievements and impact don't end there. Our students continue to break records and change lives while using their education as a springboard for future success. In the last few weeks alone, four Tigers have received some of the nation's most prestigious and competitive academic awards.

As always, thank you for trusting us with your Tiger.

Sincerely,
