A NOTE FROM THE PRESIDENT

Dear
LSU
families,

Our
Tigers
never
cease to
amaze
me.

Their

willingness to work hard, excel in their studies and still give back to the community is simply inspirational. That's why they continue to break records and change lives while using their LSU education as a springboard for future success. In the last few weeks alone, four Tigers have received some of the nation's most prestigious and competitive academic awards. Three were recognized with the Goldwater Scholarship for top-performing STEM students, while another received the Udall Scholarship for sophomore- and junior-level students who have demonstrated exceptional commitment to careers related to the environment. Additionally, three Tigers received graduate fellowships from the National Science Foundation, with 10 more receiving honorable mentions from the program. And LSU students have also been recognized among the nation's top advertising and agricultural students.

But their achievements and impact don't end there.

LSU marketing students recently collected more than 2,800 pounds of food for the Greater Baton Rouge Food Bank; our engineering students are giving back by developing a beach wheelchair for a young woman previously unable to enjoy family vacations due to limited mobility; and students participating in Dance Marathon raised nearly \$200,000 for children being treated at Our Lady of the Lake Children's Hospital.

All in all, this means your Tiger is getting an exceptional education that will not only improve their lives, but the lives of others. And that is an unbeatable combination.

As always, thank you for trusting us with your Tiger.

Sincerely,
