Preparing for the Summer Months

As you prepare to leave for Summer Break, take a few moments to be sure your house is secure. Often, problems that occur through theft or damage can be averted by precautions taken in closing. Here are some tips.

For your residence:

- Lock doors and windows; remove all personal valuables from the property
- Turn off the water and natural gas supply if the house will be left unoccupied
- Empty all garbage and ensure no combustible items such as trash and paper are left in any public area
- Visit the Oxford Police Department's website and fill out a [vacant house check form](#)

For fraternity houses:

- Unplug lamps, televisions, and other appliances in public areas as well as in individual rooms in fraternity houses
- Leave a key with a local member, alumni, or friend who will remain in Oxford; have them periodically check the property during the summer break; notify the Oxford Police and this office with the name of that person in case of a problem
- Have a certified professional inspect your furnace; he or she should check for proper operation, automatic shut-off valves, and proper venting
- Remove all combustibles such as paint and spray cans from the furnace area and store in a cool, dry place

For sorority suites:

- Chapters are individually responsible for closing the suite
- Suits must be closed, cleaned, and locked by 6 pm on Thursday, May 17
- Remove all perishable items from the kitchen and refrigerator
- Dispose of trash and clean all dishes
- Unplug all lamps, televisions, and other appliances including the refrigerator
- Close and lock all doors and windows

Fall Tailgates: Reserve A Spot Now!

Though the school year is almost over, what better way to start your Fall semester planning than by signing up for tailgates at next semester's home football games?

We're excited to open up tailgating again to all student organizations, so you can come with your friends to cheer on the Redhawks. Tailgates are a great opportunity to invite your Alumni back for a weekend visit to Oxford! Click on the dates below to register!
