Welcome to the Fall 2020 semester, Mason Science faculty and staff. My sincere thanks to all of you for your ingenuity and tireless efforts to modify our safe, engaging learning environment based on the latest guidance from federal and local authorities.

We've Got Your Back
In this issue, we highlight Mason's efforts to return to a safe in-person learning environment while maintaining our commitment to excellence and safety. To ensure the health and safety of our students, faculty, and staff, we have implemented a range of strategies, including regular testing and contact tracing.

MASON SCIENCE COMMUNITY

The Mason Science Community is a vibrant and diverse group of students, faculty, and staff who are passionate about advancing knowledge and discovery. This year, we have several exciting programs and initiatives to keep our community engaged and connected.

RESEARCH & DISCOVERY

Our researchers are at the forefront of scientific inquiry, pushing the boundaries of knowledge and discovery. In this section, we highlight the latest research and discoveries from our faculty and students.

IN THE NEWS

Stay up-to-date with the latest news and events from the Mason Science community. We have a range of stories that highlight our achievements and the impact of our research.

Events

We have a range of events and opportunities to get involved in. From interactive workshops to talks and lectures, there's something for everyone to explore.

Message from the Dean

Dear Mason Science Faculty and Staff,

As we begin the new semester, I want to express my gratitude for all of your hard work and dedication. Your commitment to our students and the mission of the College of Science is truly inspiring.

Dean Fernando R. Miralles-Wilhelm
