Welcome to the Fall 2020 semester, Mason Science faculty and staff. My sincere thanks to all of you for your ingenuity and tireless efforts to modify our safe, engaging learning environment based on the latest guidance from the Commonwealth of Virginia and George Mason University.

Congratulations to Ratna Khatri who earned her PhD in Mathematics and was a presenter at the Women in Science conference. Her work is at the forefront of research in complex systems and the understanding of the universe.

In this Issue

- Student Trivia to Contribute to Community Engagement
- Women Building Bio Conference
- Mason’s Institute for BioHealth Innovation and the College of Science are sponsoring the upcoming VA Women Building Bio conference. Find out more about the Women Building Bio conference.
