Thoughts from the Director

Jill Jones

On August 1, 2020, we welcomed a new Director at CINA! Director Andrew Cardwell joined us in Washington, D.C., and will be based in our Washington, D.C. Office. He is a seasoned law enforcement and policy professional who has been a police officer, a federal agent in the Bureau of Alcohol, Tobacco, Firearms and Explosives (BATF), and a senior advisor to the National Security Council.

The annual briefing will be on the 12th floor of the building that once was the home of the Hubble Space Telescope. It will be a virtual event and will be streamed live to the community.

The annual briefing will be on the 12th floor of the building that once was the home of the Hubble Space Telescope. It will be a virtual event and will be streamed live to the community.

Andrew Cardwell, a former police officer and federal agent, will discuss key issues facing Homeland Security.

CINA is seeking white papers presenting research ideas intended to increase project agility and timeliness, continue a multi-year program on cartel smuggling, and support three MSI Summer Research Teams, all while managing a COE project on cartel smuggling, moving our Distinguished Speaker Series and other events.

A promising alternative to policing high-risk streets: A new framework for police reform.
