Regional HOTPot: Protecting the Homeland During the COVID-19 Pandemic

September 8, 2020, 12:00pm-1:30pm

This forum will focus on communities in the U.S. that have been most impacted by the pandemic.

Meet the Eastern New Mexico University team

To increase research project agility and timeliness, continued a multi-agency coordination approach to simultaneously increase the number of research projects. The Annual Meeting reflected on the last 12 months during which we helped plan and execute the second COE Summit, positioned three research projects for transition, launched the 2021 COE Summit, and investigators from the CINA Science Committee.

CINA Open RFP 20-21

CINA is seeking white papers presenting research ideas intended to increase research project agility and timeliness, continued a multi-agency coordination approach to simultaneously increase the number of research projects. The Annual Meeting reflected on the last 12 months during which we helped plan and execute the second COE Summit, positioned three research projects for transition, launched the 2021 COE Summit, and investigators from the CINA Science Committee.

You're invited to submit articles, photos, videos, and story ideas to include in upcoming newsletters. Visit our website's digital archive to view more research and past events hosted by CINA.
