Join the Entrepreneurial Society

The Entrepreneurial Society is a student organization dedicated to supporting and empowering student entrepreneurs. Meetings are biweekly either Wednesday or Thursday, from 5-6pm in LFC 201. Meetings help student entrepreneurs find ways to grow their businesses. We help you turn your ideas into businesses, and improve entrepreneurial skills.

We asked your fellow Foresters for their advice on making it through this school year. Read more from Marissa Castillo '22 and Fatima Gomez '23.

We started the school year at a distance, but our faculty and College leaders are committed to helping you make the most of your college experience. Read more from Adam Hartzler '23 and Annmarie Buabeng '21.

The Oppenheimer Center for Entrepreneurship and Innovation

The Oppenheimer Center for Entrepreneurship and Innovation aims to help improve entrepreneurial skills, help turn ideas into businesses, and encourage student entrepreneurs to drive positive change. The aim is to connect and inspire all students to those who don't own businesses. Meetings are biweekly either Wednesday or Thursday from 5-6pm in LFC 201.

For our Foresters, November is a time for reflection and appreciation.

How's learning remotely going? How has life changed for you? How has the College been helpful and understanding? What advice do you have for new students?

We are here to help. Do you have a big idea that changes student life? Do you have a story you want to share? Do you have questions you'd like to ask? Here are some tips to help you get the most out of your experience.

Everyone's cooperation, the transition to a remote semester has been manageable. Seeing people's faces in classes and other meetings has helped me stay engaged and feel connected with the College community.

The College really knows what's going on in ENTP...

While remote learning was not what anyone was expecting, it has become our temporary normal. At the beginning of the semester, I was skeptical about receiving all of my instruction virtually; however, with the extra time I now have via Zoom, it has made it possible for me to focus.
