We are thinking of you and your families during these challenging times, and hope to hear from you. This year’s competition will be fully virtual and applications are due by October 25th. The theme of this year’s competition is “Red Bull Basement: Empowering students for a better future.” Red Bull gives wings to student innovators to drive positive change through its Red Bull Basement. Do you have a big idea that changes student life? Enter the competition now! Applications are due by October 25th. If you have any questions, you can contact us at [email protected].

The Oppenheimer Center for Entrepreneurship and Innovation is excited to announce the launch of the ENTP Society. The ENTP Society is a family of innovators and visionaries who share ideas, inspire each other, and help each other succeed. We believe that everyone has the potential to be a leader, and we aim to help you develop the skills and confidence you need to succeed. We are also excited to announce the launch of the ENTP Society’s “Start a Club” initiative. We are looking for students who are interested in starting a club on campus. If you are interested in starting a club, please contact us at [email protected].

The future of education is changing, and we need your help to make sure that everyone can learn. We are looking for student innovators to help us design the future of education. If you are interested in helping us design the future of education, please contact us at [email protected].

We asked your fellow Foresters for their advice on making it through this complicated time. Here are their stories...

**Forester Features**

- **Co-Director of Entrepreneurship and Innovation**
  - How has life changed for you? How has learning remotely gone? How has your comfort zone changed? How has your routine changed? How has your friends changed? How has your life changed?
  - The Enactus team has been working hard to help students and businesses alike. We have been providing virtual workshops, webinars, and one-on-one coaching to help students and businesses improve their skills.
  - The ENTP Society has been working hard to help students develop their skills. We have been providing virtual workshops, webinars, and one-on-one coaching to help students improve their skills.
  - The BizSim team has been working hard to help students improve their business skills. We have been providing virtual workshops, webinars, and one-on-one coaching to help students improve their business skills.

- **Fatima Gómez ’23**
  - During this time, I have leaned primarily on my family members. They have been a constant source of support and guidance. I have also been reaching out to my friends and classmates to stay connected.
  - I have been trying to stay focused and engaged by setting clear goals for myself and by creating a daily routine.
  - I have been using my extra time to explore new interests and hobbies.

- **Griffin Mitchell ’21**
  - I have been trying to stay focused and engaged by setting clear goals for myself and by creating a daily routine.
  - I have been using my extra time to explore new interests and hobbies.

- **Annmarie Battaglia ’21**
  - Being off campus and not being able to walk by, sit next to, or live down the hall is tough for now but college is still a fresh start. Get out of the house and make some friends. Go to the student center and have a cup of coffee. The student center is a great place to get to know other students.

- **Marissa Barnette ’21**
  - What are your favorite coffee shops on campus? What do you miss about in-person learning? What are your favorite places to study? What are your favorite places to eat?

- **Maggie Pastore ’21**
  - What are your favorite coffee shops on campus? What do you miss about in-person learning? What are your favorite places to study? What are your favorite places to eat?

- **Adam Hartzor ’23**
  - How has life changed for you? How has learning remotely gone? How has your comfort zone changed? How has your routine changed? How has your friends changed? How has your life changed?
