October 25th

This year’s competition will be fully virtual and applications are due tomorrow. You don’t have to be an entrepreneur or an inventor to join – study to drive positive change. The aim is to connect and inspire all students to Red Bull Basement.

Do you have a big idea that changes student life?

resilience. This club is open to all majors and helps both business owners and further develop a growth mindset, engage in team collaboration, and build aim to help improve entrepreneurial skills, help turn ideas into businesses, and collaborate, and grow together. The ENTP Society offers opportunities to attend connect, celebrate, and come together. We can share our stories and best mindset. We around the globe. We can Zoom into office hours with our ENTP faculty.

We started the school year at a distance, but our faculty and College leaders out the support we need when we need it. Knowing that this too shall pass, and we will be together again on campus. And not feel like a normal semester, we can support and encourage each other. We

We asked your fellow Foresters for their advice on making it through this pandemic has shifted the neighborhood block, or a great conversation with my mother. Any stress from supposed to relax in can be difficult, but it has also been a joy to know I am

Learning remotely is like having your peas touching your mashed potatoes. By phone to remind me in advance when I have an upcoming class or meeting to created reminders and calendars on my phone to stay organized and prevent something else, so I’ve found it especially helpful to set notifications on my

With the daily video calls and virtual deadlines to constantly track, I’ve manageable. Seeing people’s faces in classes and other meetings has helped

first, I was skeptical about receiving all of my instruction virtually; however, with

What’s keeping you motivated?

What advice do you have for new students?

When I would watch class sessions at a later date. I was really overwhelmed had to think of ways to let my professors know that I am interested in learning

being away from campus is like. They are keeping me motivated because
