Not sure where to find answers? Get started using our Support Framework — designed to help the Budget & Finance community, including faculty or staff with financial responsibilities, identify their resources based on the following questions:

- Who can I call for help?
- Where can I find information about a particular topic?
- What can I do if I need help escalating a problem?
- How do I suggest enhancements?
- How can I get help with a purchase order?
- How do I find resources for my area?

The Support Framework is decorated in a light blue and purple color scheme, and includes links to the various resources available to you.
