Oracle: Buying and Paying for Financial Unit Approvers

- 9:00am - 11:00am Thursday, October 13, 2022
- The course will include an in-depth explanation of Concur processes related to meetings, entertainment, and business travel. You will learn how to manage your own travel and entertainment expenses, and would like to learn about more advanced meetings and entertainment terminology and concepts.

- The course will be especially valuable for certified financial unit approvers who are responsible for approving requisitions and invoices on behalf of their financial unit.

- Individuals who order goods and services for departmental purchases who want to further their understanding of buying on campus.

- The course will also be valuable for those who previously utilized MyPayments or another similar system to submit requisitions, invoices, andPOETAF. The course will give you a comprehensive overview of the system, its features, and how to use it effectively.

Financial Accounting Program: Upcoming Information Sessions

- For those who are new to financial accounting and want to learn the basics.

New PPM Billing features have been launched in PPM starting on Monday, October 3:

- PPM Billing Features Launched on 10/03/22!
- PPM Recurring Billing
- Event Completion Date is now a required field
- Multiple Services gives users the ability to provide more granular information about the services being provided
- Expanded Project Summary

Integrated Procure-to-Pay Solutions is piloting a new search engine as part of a broader initiative to improve the Oracle Procurement client experience. The new tool will enhance search functionality and give you a much better view of your orders, and checking PO invoice status. This course will be especially valuable for individuals responsible for those tasks.

How do I suggest enhancements? Help escalate issues. Who can help escalate issues? Why can I not use the Advanced Search? How do I register for the next webinar? How can I get support from supervisors across campus.

We invite you to hear more about the latest updates to the Financial Accounting Program and how they can impact your day-to-day work.
