- For P-card expenses, one must reconcile them within 30 days
- For Travel and Entertainment (Events) expenses, they must be reconciled within 45 days of the business travel end date or the event date

### Recommended Department Actions before June 30, 2022

- Move Transactions from Available Expenses to applicable or new Expense Reports and complete the Report Header fields, ensuring that the desired COA (Optional: Project, Task, Funding Source) fields are populated
- Make sure that no OP values are selected for chart strings
- Submit Expense Reports and obtain all appropriate levels of approvals by the [Ledger Cutoff Dates](#) for Travel, Events and Non-Events expenses
- Submit Expense Reports and obtain Financial Unit approvals for P-card expenses once a month. To post to the ledger for FYE, make sure they are approved by your Financial Unit approvers before fiscal year end

IPPS will accrue Concur expenses with transaction dates of June 30, 2022 or before in the GL with Project numbers.

Please note the below:

- Concur expenses with P-card, T&E card, CTS and Payment to Employee charges not reconciled (i.e. all statuses except for ones with “Sent for Payment”) will be accrued as follows:
  - Transactions that are assigned to expense reports with COA and Project fields populated will be accrued with those chart elements
  - Transactions not assigned to expense reports will be accrued against the Financial Unit and Project populated in the employee’s profile
  - If the employee does not have a Financial Unit and Project populated in the profile, transactions will be accrued against the default project associated with the employee’s Primary [Payroll] Assignment Financial Unit
