2022 Tax Filing Information

Tax Day is coming up on April 18! International students, refer back to the email you received on February 4 from oip@valpo.edu titled "*Important tax filing instructions for Current VU students and scholars*". That email gives you important instructions on how to file your taxes (even if you didn't work at all in 2021). It will direct you to a special tax service called "Sprintax" which is designed to meet international student needs.

NOTE: in most cases, using other tax softwares such as TurboTax will not account for your status as F-1/J-1 international students! We strongly recommend that you do not use those tax services if you are in typical F-1/J-1 visa status.
