Procurement & Payables eCourse

Thursday, November 4, 2021 @ 9:00am - 11:00am

This course includes hands-on instruction on the use of Oracle Procurement & Payables. It focuses on topics such as shopping for and purchasing goods and services, maintaining accounts payable, and processing nonPO payments. Students who take this course will cover how to populate and review for POETAF information on requisitions and invoices. There will be a chance to participate in Q&A at the end.

Reminder: You must have completed the Introduction to Oracle Procurement & Payables eCourse before your trip takes place.
