Expanding Medicaid will stop TN hemorrhaging!

**By the end of this year 11 hospitals will have closed—
ALL within the last 8 years.**

TN has MORE hospital closings per capita than ANY other state.

Recent Fatalities Include:

[St. Mary's Hospital, Knoxville](#)

Bishop Stika laments.

[Physicians Regional Medical Center, Knoxville](#)

[Lakeway Regional Hospital, Morristown](#)

TN NEEDS to make full use of federal Medicaid funding to stop hospital closures.

Expanding Medicaid will infuse \$1.4 billion per year into TN. This will help:

- SUSTAIN rural hospitals (six times less likely to close if TN expands Medicaid)
- COVER 300,000 uninsured Tennesseans
- STIMULATE job growth—up to 15,000 jobs
- LOWER health insurance premiums (up to 7% lower In 32 states that have already accepted the funding)
- PROVIDE greater access to addiction treatment center
- All of this WITHOUT increasing taxes.

A Burning Question for your candidate: **Why not redirect our tax dollars back into TN?**

Are they aware that we are losing out on \$1.4 billion annually? [That's \\$3.8 million per day](#) in federal health care funding.
