Oracle Procurement. Reference our best practices and best in class channels such as Procurement Card, Travel & Entertainment card, Booking Travel through Concur, Amazon Business and more...

To avoid out-of-pocket expenses and a delay in receiving reimbursements, use one of the university's purchasing/payment channels such as Procurement Card, Travel & Entertainment card, Booking Travel through Concur, Amazon Business and more...

Have you noticed the "Login Warning" pop-up window when you first login to Concur? Instead of clicking OK to make the message go away, take a moment to read through the updates included in that window. The latest information that we have released is that you should now use two-factor authentication (2FA) when logging in to Concur.
The Support Framework is designed to help the Budget & Finance community, including faculty or staff with financial responsibilities, identify their resources based on the following questions:

What can I do on my own?

Where can I get help?

Who can help escalate?

How do I suggest enhancements?

Bookmark or download a copy for quick links to various resources available to you.

Each Tuesday, the Weekly Digest provides important updates related to Budget & Finance, including Oracle Financials Cloud and Concur Travel & Expense. Our goal is to deliver timely information that matters to you.
