Celebrate Global Entrepreneurship Week 2022

Wednesday, November 16
noon - 1:00 pm CST
Resilience in Action

Friday, November 18
noon - 1:00 pm CST
Alumni Founders Panel

Are you curious about starting your own company? Do you have an idea you’re passionate about but aren’t sure how to bring it to life? Join LFC’s Entrepreneurship and Innovation Office at Friday’s entrepreneur panel to learn about resilience in action. Alumni founders share their experiences, how they turned a passion into a business, and how they’ve overcome challenges. Pizza is provided! This panel will be moderated by Christina Hartley ’24, President of the Entrepreneurship Society.

Alumni Panelists: Courtney Wright ’88, CEO Gemini Builds It; Jerries Azar ’21, Program & Engagement Coordinator mHub; CJ Black ’16, President & Founder of Oscillas; Eric Porter’18, Co-founder Stria Sports

See you @ the OC for Global Entrepreneurship Week

Why do we celebrate Global Entrepreneurship Week? Learn more here

Join us on 11/4 for First Fridays in the Forest. Can’t make it? See upcoming dates here

looking for more... opportunities...

Lake Forest College wants to make the college experience affordable for our students and their families. In fact, 95% of admitted students receive scholarship and/or need-based financial assistance from the College. You can explore more scholarship opportunities here.

ENTP is hiring!

ENTP is also offering a PAID internship this Spring! Learn more about the Marketing and Event Programming Intern on Handshake or reach out to Professor Jackson for more information.

good reads...
Recommendations from Professor Jackson’s bookshelf

- Jonah Berger’s *Contagious: Why Things Catch On*
- Ed Catmull’s *Creativity, Inc: Overcoming the Unseen Forces That Stand in the Way of True Inspiration*
- Brene Brown’s *Rising Strong: How the Ability to Reset Transforms the Way We Live, Love, Parent, and Lead*

For entrepreneurs to share their offer/ask statements, we are offering the opportunity to publicize your offers that might benefit the community. If you have something to give and gain, please complete our offer/ask survey here.

At Lake Forest College, our entrepreneurs and innovators learn how to identify problems worth solving and how to mobilize the people, resources, and networks to solve them. Great ideas and novel solutions start by the Great Lakes.
