Reminder - Source Selection and Price Reasonableness Form
The Source Selection and Price Reasonableness (SSPR) form is required for purchases using federal funds that are equal to or greater than $10,000 and/or purchases using non-federal funds that are equal to or greater than $100,000. This form was designed and instituted by UCOP to help ensure that the university’s purchases and supporting documentation are in compliance with all applicable federal, State and/or UC regulations, and that the University’s purchases are appropriately documented for audit purposes, especially in regards to competition.

To aid in completing the SSPR form correctly, UCOP has also provided SSPR Form Completion Instructions, which contains definitions, examples and resources. Links to both of these documents can be found within each of the various Oracle request forms.
