Dear Colleague,

As you read this message I'm packing as I'm embarking on an exciting journey to Kenya to visit all of our valued clients. I cannot express how thrilled I am to reconnect with our wonderful owners, managers and teams who run the lodges, camps, and hotels across that beautiful East African country. Meanwhile, Jenna is finishing her first visit to Sierra Leone and will be joining me in Nairobi.

My itinerary is packed with incredible destinations, and I'm eagerly looking forward to exploring each one:

1. **Amboseli - Elephant Gorge:** I'll begin my journey in Amboseli, where the stunning Elephant Gorge awaits. The majestic sights and experiences that lie ahead are bound to be unforgettable.
2. **Samburu - Elephant Bedroom Camp:** Next, I'll make my way to Samburu in north-central Kenya to visit the remarkable Elephant Bedroom Camp. It promises to be a unique and enriching experience.
3. **Lake Naivasha - Mbweha Camp** will be my next stop, with Mwebwa as the highlight. The tranquility of this location and the opportunities for adventure are sure to be remarkable.
4. **Masai Mara - 9 Nights of Pure Magic:** The grand finale of my trip will be a 9-night stay in the Masai Mara, where I'll have the pleasure of visiting all of our properties. There's nothing like the Mara anywhere else on the planet, and I'm excited to encounter the extraordinary wildlife and landscapes it has to offer.
5. Nairobi - Not quite as exciting in terms of nature, but I'll get to meet with all of the teams that work their safari magic for our clients.

In addition to the thrilling journey ahead, we have a notable addition — a comprehensive "Crib Sheet" that provides detailed information about all our clients. This valuable resource includes not

only essential information but also special offers and promotions you won't want to miss.

Thank you for your ongoing support, and I look forward to sharing my adventures with you upon my return. Until then, stay tuned for updates and special offers in this newsletter, and don't hesitate to reach out if you have any questions or need further assistance.

Wishing you all the best, and I can't wait to connect with you again soon.
