#### Robert Pape

Professor, Department of Political Science  
Director, Chicago Project on Security and Threats  
The University of Chicago

U.S. PRESIDENTIAL  
ELECTION SERIES  
★★★★★★

Last weekend's second attempt on former President Donald Trump's life is a symptom of a more serious underlying, chronic condition of American politics.

Join us tonight at 8:30pm HKT to hear Professor Robert Pape's lecture explaining the rise of violent populism in America and what to expect heading into – and after – the 2024 election.

Department of Political Science  
The University of Chicago

**Paul Poast**  
Associate Professor  
Department of Political Science and  
Committee on International Relations  
The University of Chicago

U.S. PRESIDENTIAL  
ELECTION SERIES

While international affairs are not usually on the forefront of American voter's minds when choosing a President, US Presidential elections can have major implications for US foreign policy. This year, the candidates are promising drastic changes in US immigration, trade and industrial policy.

Join our next U.S. Presidential Election Series program on October 3 at 8:30 pm HKT to find out how a win for Harris or Trump will impact global geopolitics and economies.
