Hello BV Chamber Members & Friends,

It's [Renewal Festival](#) weekend and [14er Festival](#) weekend in Buena Vista, Colorado. It's been fun seeing festival goers and racers arrive early and check out town.

There's an ongoing conversation about whether big events benefit local businesses or whether routing festival goers around town to event venues actually makes town quieter and reduces spending at local businesses during festival weekends - and either way, which is better? Is reducing traffic in town the benefit we collectively want, or is bringing traffic into town so visitors can explore and fall in love with all that our town offers while supporting local businesses, the bigger benefit? What do you think? I'm curious to hear your thoughts. Feel free to hit that reply button and let me know.

Welcome Center & Chamber Hours

As the busy season winds down, we have reduced the open hours at the Welcome Center and will be closing it for the season starting October 1st. I'm still working full time and here for you, though I am often in meetings and unavailable to open the door when people knock.

If you want to pop in and see me, feel free to check in first - call or text: 719-395-6612. (Maybe all 5,000 people on this list don't text us all at once but it's an option!). Chamber members also all have my online scheduler link so feel free to book an appointment at your convenience. For more urgent member matters, I'm always happy to make time for you.

We are working to raise funds to expand our capacity at the Welcome Center and Chamber and hope the coming year will bring added capacity and hours. Interested in becoming a title sponsor of the Welcome Center for 2025 or any of our other great projects? Check them out [here](#).

Business After Hours - Let's party!

The next Business After Hours will be on **Thursday, October 24, 2024** at 109 East Main Street - the little building at the corner by the light that's attached to the back of the Chamber office. (Please note this is the FIFTH Thursday of October, not the 4th like usual.)

October Business After Hours is co-hosted by our wonderful members, [First Colorado Land Office](#) and [JVAM](#) law office. We love collaborating on these events with our active members to bring our community together! Hope you can join us. Biz After Hours are open to the public.

Please register in advance so we know how much food and booze to bring. Also, it takes a good bit of time and funds to put on these monthly events. We offer free food and drinks to attendees but we need your support to keep them going. Please consider donating to help cover our time and costs. [REGISTER HERE](#).

Community Coffee

The next Community Coffee is next week, Wednesday, October 2, 2024. I'll be at a statewide Chamber of Commerce conference learning all the ins-and-outs of chamber management but our amazing Board member, Dylan Jewel will be hosting and moderating. Go easy on him :) haha. Show up by 8:00am and all are welcome to speak. Just sign up on the clip board when you arrive.

Have a great weekend!

Liz
