Questions or more details contact Jennifer Weber, (602) 827-8222.

The University of Arizona Cooperative Extension is interested in learning more about your skills and experiences with pesticide management and pesticide safety. Six AZ Dept. of Ag. ESD (Ag.), PMD (OPM) and GCSAA CEUs will be awarded to participants who successfully complete the project.

Both events will feature presentations by experts on various aspects of turf and landscape pest management and pesticide safety. Six AZ Dept. of Ag. ESD (Ag.), PMD (OPM) and GCSAA CEUs will be awarded to participants who successfully complete the project.

The program has also conducted multiple efficacy trials as well as research on insecticide resistance. The Program awarded a USDA-NIFA Grant, with the funding going towards the development of new pest management strategies.

As we move into the fall schedule, we see many new faces in the program. Since the beginning of the year, we have welcomed six new staff members into our team. Two of those are new coordinators! I look forward to expanding our Culinary programs and continued learning and growth.

Christina Vega-Zubiate joined the SNAP-Ed team as a Garden Coordinator for Maryvale in January 2022. She earned a B.S. in Horticulture and a M.Ed. in Curriculum and Instruction from Arizona State University. As the Garden Coordinator, she is responsible for coordinating and conducting all gardening-based programming for the SNAP-Ed Program.
