## LEAVE NO TRACE

### Responsible Outdoor Recreation Guidelines for Buena Vista, Colorado

- 1. Talk with your group and set your intentions.** Agree to Leave No Trace, to be mindful and caring in your impact on the natural lands and campsites. Make sure everyone discusses in advance and during the excursion.
- 2. If you pack it in, pack it out.** Take your trash with you. Scour the area and pick up microtrash, even if left by others.
- 3. Don't step on vegetation.** Be its caretaker and admirer instead.
- 4. Put your fires dead out** before going to sleep. Designate a firemaster (whoever stays up the latest) for the job. Bring a dry bag or bucket to fill with water in advance to make nighttime fire extinguishing easy peasy.
- 5. Leave wildlife alone!** Give them plenty of room to live their lives. Appreciate them from a safe distance and teach your kiddos to do the same.
- 6. Put beer cans and other trash safely AWAY** before bed. Strong winds blow trash out of your campsite.

**We thank the forest rangers for issuing tickets to people who break these rules.**

## Don't be "that guy" who started a forest fire

Put your fires dead out, cold to the touch. Bring a big dry bag or a bucket. Fill it with water early so nighttime fire extinguishing is a piece of cake. What's your forest legacy going to be?
