

Spring 2020

From the President/CEO

As I reflect upon the day our doors opened May 20, 2013, never could I imagine a scenario of empty streets, bare halls and vacant rooms. We are all asking the same question, "When will we see some kind of normalcy again?"

Charles Starks

While it is uncertain when we will be able to host events at full capacity, what is certain is our commitment to the city and the community. I am grateful we are in a position to be able offer financial support to the [COVID-19 Response Fund](#), the [Community Foundation of Middle Tennessee](#) fund for storm relief as well as the city of Nashville.

We value all of our partners and look forward to having you back. Please know that our entire team is working diligently to ensure the safety of everyone. In the meantime, please stay safe.
