Personalize your survey!

You can click away and add your own questions to your Student Experience Survey, which will open to all students in early spring. Instructors who added questions in Winter 2023 had 2 to 3 times higher response rates on average. Participants can get real-time feedback.

Learn more about adding your own questions and get additional tips on how to make a sample of your questions. Feedback in the survey is anonymous and no identifying information will be collected from faculty members. The survey is anonymous and no identifying information will be collected from faculty members.

We are covering the general data collected in our shared round table about academic freedom in the UC system. If you register with us, you will be able to connect and share resources, strategies, questions, and engage in sessions that support the learning experience. The integration of open courses is amazing, and every faculty member can improve their online course-taking experience.
