GAME OF THE WEEK

Find the Object

Materials Needed: Plastic or paper cups and a small object.

Set Up: Line up three paper cups and place a small object under one of them.

How to Play: While the player watches closely at the cup that holds the object, switch the cup back and forth into new positions. After a decent amount of time, stop and ask the player where the object is.

How to Win: Guess where the small object is correctly.

KORET PLAY AT HOME HANDBOOK

We've added even more activities on our Koret Play at Home Handbook!

RIDDLES

Check back next week for the answers:

1. When things go wrong, what can you always count on?
2. How can a leopard change its spots?
3. What begins with T, ends with T, and has T in it?

Answers from previous week:

Moo York; Because they are always stuffed; Shall we go for a dip?
