**Call for
Affiliated
Ph.D. Programs**

From:
25 MAR
To: **02 MAY**
2024

Call for Applications: 12 Affiliated Ph.D. Scholarships for studies in Portugal and CMU in the 2024/2025 academic year

Applications are open for the 4th edition of the CMU Portugal Affiliated Ph.D initiative, offering Ph.D. scholarships in selected cutting-edge areas of ICT, related to the scope of the Program. With scholarships funded by Fundação para a Ciência e a Tecnologia (FCT), students will be fully hosted by Portuguese Universities, with the opportunity of a research period at Carnegie Mellon for up to 1 year. The admissions period will run until May 2nd, 2024.

CMU Portugal will hold an [info session on April 9th](#) to clear any questions about the application process.

**Call for 2024
Mobility
Programs**

Applications are open between
March 6th and April 8th

Carnegie Mellon Portugal
FCT Fundação para a Ciência e a Tecnologia

Call for CMU Portugal Mobility Opportunities: deadline is April 8th

Applications are still open for the 2024 Mobility Initiatives “Visiting Faculty & Researchers” and “Visiting Students” aimed for research periods at Carnegie Mellon University within 2024.

The application deadline for both calls – launched under the scope of the CMU Portugal Program with the support of FCT – is **April 8th, 2024**.

Carmel Majidi named the Clarence H. Adamson Professor of Mechanical Engineering at CMU

Carmel Majidi, long time CMU Portugal collaborator, was named the Clarence H. Adamson Professor of Mechanical Engineering at Carnegie Mellon University (CMU).

Throughout the years, Majidi has served as a project PI in

several impactful CMU Portugal projects collaborating closely with Mahmoud Tavakoli, Director of the “[Soft and Printed Microelectronics Laboratory](#)” (SPM) from FCTUC, [Stretchtonics](#) (ERI); [WoW](#) and [Exoskins](#).

Remembering Jared Cohon

On March 16th, 2024, Carnegie Mellon University former President, Jared Cohon, passed away at the age of 76.

Serving as CMU President from 1997 to 2013, Cohon played a pivotal role in launching the CMU Portugal partnership. In October 2006, Cohon signed the original agreement and, during the first seven years of the Program, made frequent visits to Portugal, demonstrating his support for this international collaboration.

In honor of Jared Cohon’s memory, the Carnegie Mellon Portugal Program community pays tribute to CMU President Emeritus extraordinary legacy.

Inside Story: Hirokazu Shirado two months visit to Portugal under the CMU Portugal Program

Hirokazu Shirado, Assistant Professor at Carnegie Mellon’s Human-Computer Interaction Institute (HCII) recently conducted a visiting research period in Lisbon supported from the Carnegie Mellon Portugal Program. Shirado visited the Group of AI for People and Society (GAIPS) from INESC ID led by Professor Ana Paiva, remarking that the visit had been a fantastic opportunity to expand his research agenda and academic networks through communication with researchers at Portuguese institutions.
