Upcoming Conferences, Training, & Workshops

- Iowa Lean Consortium's Annual Virtual Conference: Get ready to take advantage of another quality, daylong learning and networking opportunity, this time without leaving your desk.
- ILC Virtual Annual Conference: The 2020 ILC Virtual Annual Conference is slated to include a fantastic keynote address from Col. Candice Frost, a Muscatine native and current Iowa National Guardswoman, as well as an informative and entertaining panel discussion about day-to-day challenges and success stories in the Lean world. Register now for the ILC Virtual Annual Conference and reformatting it for cyberspace.
- National PTAC Day: If you'd like to know more about the network, we invite you to join a special webinar on Wednesday, September 16, from 1:00 p.m. to 2:00 p.m. to celebrate National PTAC Day.
- COVID-19 Manufacturer Roundtable: Recently, to help you better handle webinars and roundtables made some changes to how we'll do webinars and roundtables going forward. It's been six months since COVID-19 forced CIRAS to temporarily halt in-person educational events. Since then, we've been working hard to change two things: how we serve you online, and what you make sure you're doing enough?

Services Administration in Region 6

Ninety-four Procurement Technical Assistance Centers (PTACs), including the Iowa division, are now located across the United States. We're inviting you to learn more about a major part of CIRAS programming.
