January 2025

Dear Colleague,

Happy New Year! Hope all of you had an amazing festive season with your family and friends!

I spent a few days over Christmas by the beach in Punta del Este (Uruguay) getting re-energized with daily ocean dips (remember it's summer in South America!).

We're excited to announce that our two Patagonia clients — **River House Lodge in Argentina** and **Hotel Las Torres in Chile** — are offering a **4x3 special promo** for those interested in exploring this bucket list region before the end of the season. Take a look below for more details or simply [contact me](#).

If you or your clients haven't rebooted enough to start the new year, what a better way than a retreat at **La Coralina Island House in Panama**. The 2025 calendar retreats ([click here](#)) offers plenty of opportunities to restart and reconnect.

Last but not least, for adventure travelers interested in connecting with Mother Nature and wildlife, **Guyana** and **Ecuador** (with its **Galapagos Islands**) are great countries to explore and enjoy. Let's add them to your clients' 2025 travel list. If needed, you can find even more inspiration below.

Wishing you a very busy, happy and healthy 2025!

Ana (*on behalf of the ED team*)

Video of the Month

Sustainability in Action at Reserva Las Torres

Las Torres Patagonia is driven by sustainability and responsible tourism. They're constantly developing new initiatives focused on conservation, environmental care and raising awareness about the flora and fauna of Torres del Paine National Park.

This video highlights their different activities: holistic grassland management, trail care and reconstruction, regenerative garden, firefighting brigade, and many others.
