Community Spotlight

Strong communities are built through service, and we're honored to support those who dedicate their lives to protecting others. Thank you to our board member Jon Pope and the Hasty Pope team for including CASA in the recent *First Responders Appreciation Lunch*. This meaningful event reminded us of the vital role first responders play every day. To all the firefighters, police officers, paramedics, and emergency personnel—thank you for being the everyday heroes our children admire.

Volunteer Spotlight

This month, we're proud to spotlight a dedicated CASA volunteer whose words beautifully capture the heart of our mission:

"I joined CASA thinking about all the ways that I was going to be able to help. However, I didn't realize how much the program was going to give back to me for my service. My experience with the children, their families, the juvenile justice system judges, the staff, and DFCS has been a humbling experience... a lesson in humanity."

-Constanza Tironi
CASA volunteer

Her reflection is a powerful reminder that being a CASA is not only about giving—it's about growing, learning, and connecting in deeply meaningful ways. We're so grateful for Constanza's service and the difference she continues to make.
