Dear Colleague,

Jane, Jessie, Jenna and I wish you a very Merry Christmas holiday and a Happy New Year! If you haven't traveled anywhere during 2021, we hope that adventure is just around the corner for you in the new year. Should you need any sort of inspiration, we invite you to take a look at our portfolio of cool companies in cool places.

Another challenging year in travel is coming to an end. However, we're more than grateful for the opportunities that we did have. We added new clients to the portfolio across **Europe, Africa** and **South America**. We were back in person events like **Virtuoso Travel Week in Las Vegas, Safari Pros** and the **USTOA Annual Conference in San Diego**. We were back on the road, doing sales calls in **California, Georgia** and **Florida**, and exploring **Ecuador** and **South Africa** (just to mention two of the beautiful countries we visited during this year).

We want to especially thank each of you for your support and we wish you and your loved ones a 2022 full of joy, health and new destinations to visit.

We hope to be able to see you in person soon. Happy Holidays!

Ana, on behalf of The Emerging Destinations team (Jane + Jessie + Jenna + Ana)
