

UAH Magazine
DIGITAL EDITION

A PUBLICATION OF THE UNIVERSITY OF ALABAMA IN HUNTSVILLE

AUGUST 2023

*Welcome to the first digital edition of **UAH Magazine**, your source for news about The University of Alabama in Huntsville. Each month you'll find a slice of life on campus – from projects and achievements by students and faculty across our eight colleges to research advances to athletics to entertainment. We'll also share ways you can get involved.*

UAH researcher to study life expectancy inequities in Alabama through $25K Johns Hopkins Bloomberg grant

Dr. Azita Amiri has been awarded a $25,000 grant by the Johns Hopkins Bloomberg School of Public Health to examine life expectancy inequities in Alabama. The state is one of the lowest ranked in life expectancy, and the researcher will use her findings to develop a community-centric blueprint to address social environmental determinants of health in the region.
