Welcome to the Eagle Family!

Congratulations on being an Eagle Parent! We are excited that you and your student are a part of the community here at UWL, and want to tell you about some ways that you can become involved in your student’s experience on campus.

As a parent/guardian of a UWL student, you are automatically a member of the Parent Association. You also have the opportunity to apply to be a part of the Parent Advisory Board or serve as a Parent Ambassador. The University of Wisconsin–La Crosse Parent Advisory Board is a group of current and former parents who are committed to investing in UWL and its future by serving in an advisory capacity. We encourage you to volunteer and attend events for their fellow parents as well as newly admitted student families.

Through your active engagement, you are making a direct impact on your student’s experience at UWL. Parent leaders are an integral component of the student experience at UWL. Parent involvement in advising board or parent ambassador is critical to our student development and enrichment. We encourage you to log the experience and stay up to date at www.uwlax.edu/parent.

First review of applications will be held by 1st of October.
