Welcome to the Eagle Family!

Congratulations on being an Eagle Parent! We are excited that you and your student are a part of the community here at UWL, and want to tell you about some ways you can be involved in their experience on campus.

As a parent/guardian of a UWL student, you are automatically a member of the Parent Association. You also have the opportunity to apply to be a part of the Parent Advisory Board or serve as a Parent Ambassador. The University of Wisconsin–La Crosse Parent Advisory Board is a group of current and former parents who are committed to investing in its mission, and its future by serving in an advisory capacity as we prepare our students for lifelong success. Members of the Parent Advisory Board serve in a rotating role through participation and service. The University of Wisconsin–La Crosse Parent Advisory Board has the opportunity to volunteer at events for their fellow parents as well as newly admitted student families.

Through your active engagement, you are making a direct impact on your student’s experience at UWL.
