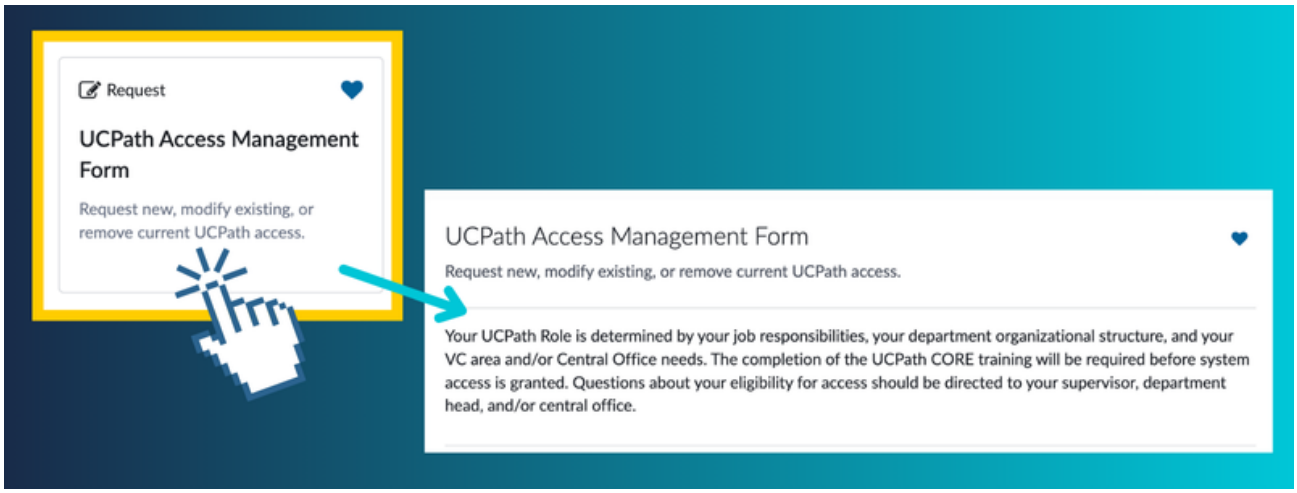
The New UCPath Access Management Form is LIVE!

Beginning today, **November 7, 2024**, the **new** **UCPath Access Management Form** will provide users a consolidated request form to **add**, **modify**, or **remove existing** UCPath system access.

The new UCPath Access Management Form will replace the UCPath Transactor Access Request and UCPath Access Removal Request forms. Links to the previous forms will **automatically redirect** to the new form.

Navigate to the form by logging into the Employee Center > Onboarding > select the UCPath Access Management Form.



The How to Request Access to UCPath Knowledge Base Article has been updated with instructions on how to use the new Access Management Form.

For any questions about the new form, please reach out to ucpathproject@ucsd.edu.
