Preparing for Getting Back to Work

The COVID-19 pandemic has disrupted all corners of Iowa industry. CIRAS exists to help Iowa companies overcome problems like these, and our goal is to make it as easy as possible for you to deal with the challenges that lie ahead.

The Center for Industrial Research and Service (CIRAS) seeks to make Iowa better by educating its businesses about the latest research-proven methods and best practices of industry. Here are just a few of the ways we plan to do that in the coming months:

All-Electronic: The Newest CIRAS News is Online
