Safe Return to Campus: Spokesperson K2

George Mason University's leadership has been working tirelessly to ensure a safe return to campus for students, faculty, and staff. Here’s a summary of the campus-wide framework for safe return to campus this fall:

- **Unit Safety Plans**: Each college and department has developed detailed safety plans that have been reviewed and approved by the university.
- **Training**: All employees and students must complete the required training no later than 24 hours before you return to campus.
- **Screening**: Daily symptom screening is required for all campus visitors.
- **Masking**: Face masks will be required in all indoor public spaces.
- **Social distancing**: Maintain a minimum of six feet between individuals.
- **Cleaning and disinfection**: Enhanced cleaning protocols will be in place.
- **Testing**: Regular testing for COVID-19 will be available.
- **COVID-19 protocols**: Follow all COVID-19 protocols when you return to campus.

I wish to share our on- and off-campus science community footprint, the steps all must take to return to campus safely.

**Safe Return to Campus: Spokesperson K2**

As you've just learned from [President Washington](https://www.gmu.edu), we are making significant changes to ensure the health and safety of our community. I encourage all members of our community to do their part to keep our campus safe.

**Safe Return to Campus: Spokesperson K2**

Our return to campus is grounded on our Unit Safety Plans which have been reviewed and approved by the university. I ask that all College of Science faculty, staff and students who return to campus follow these plans and complete the required training no later than 24 hours before you return to campus.
