A Greeting From Your Catholic Chaplain

Last week, as I prepared a grounding exercise for our first gathering of the Interfaith Student Council, I happened across The Good News, a poem by the late Vietnamese Zen master and beloved teacher, Thich Nhat Hanh. Here is how it begins:

The good news
they do not print.
The good news
we do print.
We have a special edition every moment
that we need you to read.
The good news is that you are alive
and the linden tree is still there
standing firm in the harsh winter.
The good news is that you have wonderful eyes
To touch the blue sky.

It is such a common struggle, that tension between being an informed citizen of the world and the call to cultivate mindfulness, inner stillness, and peace. Thich Nhat Hanh lived many decades in exile as a result of his activism against the war in his home country. Until his final years, he was deeply involved with global movements for non-violence. It was amidst this reality that his prolific teachings around mindfulness, peace, and compassion took root - not as contradictions but as profoundly related.

When I shared *The Good News* with the Catholic community on Sunday, we reflected on 'sacramental living.' This phrase refers to a way of being, a posture or an orientation towards the holy in our midst. It is a deeply formative aspect of my spiritual life. Perhaps this is why *The Good News* and I have become such fast friends!

This week, I invite you to consider the good news in your life. What are you printing in today's special edition? How might it draw you deeper into the present moment? And how might you find a way to share it with our communities here at Tufts this week?

All are welcome for a festive, multifaith gathering to welcome President Kumar into the Tufts community featuring Shir Appeal, Ladies of Essence, and student leaders from our many religious and philosophical traditions. Chaplains and President Kumar will also speak.

Please join us as we celebrate the legacy of religious and philosophical life at Tufts, rooted in our Universalist heritage and alive across our diverse and vibrant communities. During the gathering, we will invite attendees to write their words of welcome or blessing for our new president on a paper oak leaf, which will be added to a special art installation created at this event which is inspired by the historic, stained glass oak leaves on one of the primary windows at Goddard Chapel.

If you are not able to join us in person, please consider sharing a word of encouragement or blessing for President Kumar by completing this form. Your words will be included in the art installation that is created during this special event. Please email the University Chaplaincy with any questions.

High Holidays with Tufts Hillel

See Tufts Hillel calendar

The High Holidays are an amazing opportunity for spiritual growth and community connection right at the beginning of the year. Rosh HaShanah offered us the chance to imagine our own recreation and the rebirth of our world anew and Yom Kippur will give us the spiritual and emotional space to return to the core of our most authentic selves. Our two service options this year exemplify these values of Jewish seeking and community building. Whether you attend our Reform minyan, Conservative minyan, come for meals, or any of our other High Holiday programming, we are so happy to be a part of this special time of year with you. Please email Jewish Chaplain Rabbi Naftali Brawer with any questions and find more information on the Tufts Hillel website.
