**What does it mean to be anti-racist. And how can I learn more?**

It is important to recognize that racism is a systemic issue that affects all aspects of our lives, not just personal interactions.

*What behavior are we looking to remove from our culture? Here is an example of a microaggression:* 

*They “are defined as verbal, behavioral and environmental indignities that communicate hostile, derogatory, or negative racial slights and insults to the target person or group.” Here’s a recent example along the way to build awareness.*

To be able to grow, we need to better understand the challenges and define the culture we seek, using equity
