Chronicle of Higher Education article describing microaggressions in academia.

Here's a recent example along the way to build awareness.

To be able to grow, we need to better understand the challenges and define the culture we seek, using equity assessments, as appropriate, among the designated partners to benefit current and future practitioners in the field.

What behavior are we looking to remove from our culture? Here is an example of a microaggression:

This behavior is unacceptable. I was outraged to hear of this activity and commit to creating a culture in which diversity is celebrated and ranks its severity with more accuracy.
