MASON SCIENCE COMMUNITY

FERNANDO R. MARTELLES W.I.A.L.R.U.

There is a platitude and a ad

Fernando Marcelli is an Associate Professor of Physics and Astronomy. He is also a member of the Virginia Commonwealth Cyber Initiative (CCI). His research focuses on the physics of extremal black holes, their role in the cosmology and evolution of the universe, and the potential applications of black hole physicists to cybersecurity. Marcelli received his Ph.D. from the University of California, Los Angeles in 2014.
