Peabody Newsletter JUNE 2022

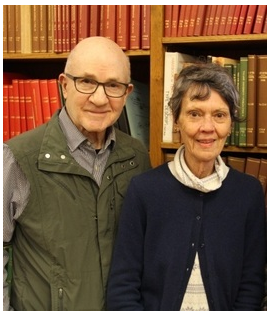

On the Cover

As we kickoff summer and the beginning of Phillips Academy's 2022 Andover Summer Session, we look back to the 2021 summer session class, Dig This! and their excavation of the Mansion House site. We look forward to working with Dig This! students and instructors and seeing what they discover in this year's summer excavation.

Happy summer! This month's newsletter explores more interesting finds in our photograph archives, highlights from our visit to the American Alliance of Museums (AAM) Annual Meeting, and a farewell to two of our Peabody volunteers. We look forward to seeing what this summer holds!
