Congratulations to the 2020-2021 LSU Family Association Scholarship Recipients! We are excited to support these students on their journey at LSU.

Our administrators, faculty and staff are working around the clock to ensure that no one feels abandoned. We are developing remote learning options and are working to support students with disabilities throughout the accommodation process as they navigate the transition to remote learning.

Our compassionate community at LSU has shown incredible flexibility to provide support to the students who are most impacted financially. If your family is interested in making a donation, you can do so here. Your generosity can help us continue to support our students.

In times of uncertainty and fear, our students will never forget this moment in history. I want them to know that they are not alone and that they have a loving and caring community around them to advance their educational aspirations despite the challenges we face.

Our students will always remember this moment in history and how they were impacted. We are committed to supporting them as they continue their academic journey.

LSU is here to support your students' research and learning with helpful tools and resources. Please encourage your Tiger to stay committed to their job or internship and continue to work towards their goals.

The Tiger Twelve Class of 2020's ceremony is canceled; however, Tiger Twelve selection is still in the process. Thank you for your patience as the committee is working diligently to ensure the Tiger Twelve Class of 2020 receive a memorable experience.

The U.S. Census is happening now. Be sure to contribute your voice by filling out the census. It only takes five minutes to complete and helps ensure future generations have the resources they need.

We're in this together. Campus Life has created a Student Emergency Fund to support students who have been financially impacted by the ongoing crisis. We ask that you consider making a donation to this fund to help support our students.

Important message: If you know of a student who has been impacted by the ongoing crisis, please encourage them to contact the Office of Student Affairs. They can also access information at lsu.edu/coronavirus.

Sincerely,
