We all have a role to play in ensuring everyone in our LSU community feels safe and welcomed. We've made great progress in recent months, but we know there's more work to be done—and we know our actions will continue to have a positive impact on the health and safety of our students, faculty, and staff. We are committed to providing the most up-to-date information regarding COVID-19 and will continue to work hard to ensure everyone in our LSU community has access to the tools and support they need to succeed.

We have a lot to look forward to, including the arrival of our new student body, and we can't wait to welcome you all back to campus for the fall semester. But to succeed we need your help. Please do your part to keep our community healthy and safe.

We know things have been tough, but please know we are here for you. Please reach out to someone in the Office of Student Affairs or the Office of Student Life if you need someone to talk to. We are here to support you.

Thank you for all you do to make LSU a special place. We look forward to seeing you all on campus soon.
