A NEW PRESIDENT PREPARES TO LEAD TOGETHER!

LSU Interim President and Professor of Law Tom Galligan is excited for the opportunity to lead LSU during a time of increased uncertainty. He recognizes the importance of sharing a message of hope and commitment. "We are confident in our mission to provide a safe and healthy return to campus life this fall. Our students, staff, and faculty are committed to this as well, and I’m confident we will all do what’s necessary to make this happen.

As we work toward the safe reopening of campus, LSU has also intensified our ongoing work to foster an inclusive culture that is welcoming to all students. We’ve made great progress in recent years and will continue this work together. We understand that creating this environment begins at home, and we hope to see an increase in discussions on race and diversity in families across our Tiger nation.

Together, we will navigate the challenges that COVID-19 presents. LSU is committed to providing the most up-to-date information regarding COVID-19 and our roadmap to fall. Below are several helpful links:

A message from LSU President Jonathan Waldrop:

Dear Students, Faculty, and Staff,

As we prepare to begin the fall semester, we want to thank everyone for their hard work throughout this process. The effort and commitment of every member of our LSU Family is greatly appreciated.

As we adapt to responding to the needs of our community, we will continue to provide up-to-date information. Below is a list of some recent updates to keep you informed:

- Campus Mailbox (The UPS Store): Students will receive an email with details when and where their on-campus mailbox is assigned. Once the box is assigned, they will be able to mail their items to the UPS Store and will receive a notification when the items are available.
- Campus Move-in Information: Our hours of operation during move-in are: August 1, 3, 5, 6, 7, and 10 a.m. - 6 p.m. August 2 and 4, 10 a.m. - 4 p.m. August 8, 10 a.m. - 5 p.m. August 9, 9 a.m. - 2 p.m. For a list of UREC Fall 2020 membership access begins August 24, but UREC grants a 2 week grace period for Club members.
- As your student begins school at LSU, more excited to encourage them to get involved and try new things. "Encourage your student to get involved and try new things. Offer to be available as your student begins school at LSU. Take advantage of all the new opportunities that await! Don't believe everything you hear or read. Research and investigate for yourself. Don't try to 'fix' everything for your student. Don't try to control them. Don't spend the entire first week of school giving your student advice.
