May 2025

Dear Colleague,

This month we're highlighting Porto (Northern Portugal), mini breaks in Türkiye, Morocco's adventurous mountain ranges, Malta's scuba diving and Trentino's fascinating lakes. Each offers unique experiences for travelers seeking authentic and memorable journeys.

I'd be happy to discuss any of these opportunities further or provide additional information about our partner destinations.

How might Emerging Destinations help enhance your travel offerings this season?

Warmly, the Emerging Destinations Team

Jane, Ana, Jenna & Paula

### Porto: Where Northern Portugal Begins

Some say that the **North of Portugal** begins in Porto, others say that it ends there. What is certain is whether it's the beginning, middle or end, Porto welcomes everything and everyone.

Even for those visiting for the first time, arriving in Porto often feels like coming home. It's so easy to slide into the local vibe, lounging in one of the city's many parks, strolling along the waterfront, relishing the silence inside a Baroque church, striding down ancient cobblestone streets, ordering iconic seafood dishes or the region's out-of-this-world wines with the ease of a local.

### Trekking North Africa's Highest Mountain

With its four distinct mountain ranges to choose from — the Rif, Middle Atlas, High Atlas and Anti Atlas — hiking in Morocco is an adventure that's hard to pass up.

In the lush, green Rif Mountains of the far north, trails meander through cedar forests, offering a peaceful escape and a glimpse into the region's rural lifestyle.
