The University Chaplaincy is a dynamic hub supporting religious, spiritual, ethical, and cultural life for all members of the Tufts community. We provide pastoral care, support religious and philosophical communities, educate about spiritual and ethical issues in society and the world, and promote multifaith engagement.

Supporting dynamic programs at Tufts University in religious, spiritual, ethical, and cultural life is easy and vital to the University Chaplaincy budget. Please join us on Giving Tuesday with a special donation to CAFE!

CAFE (Community of Faith, Exploration, and Engagement) is a signature program for the University Chaplaincy. Led by two student co-coordinators and supported by the Office of Campus Ministry, CAFE creates a diverse student organization that supports students’ personal and spiritual development in a university setting.

CAFE is the key experience that seeds student leadership and meaningful participation in campus life. Peer leadership is an integral part of CAFE. Every semester, CAFE hires student staff to manage programming. We are hiring for our student staff position for Spring 2023. Student staff work with University Chaplaincy communities, programs and gatherings, including the Interfaith Entrepreneurship Program and the Interfaith Student Council, and leadership on e-boards.
