A Message from the Department Chair: Professor Suzanne Boyce

Bienvenue à l’Université de Wisconsin-Milwaukee! (Welcome to the University of Wisconsin-Milwaukee!)

Dear Department Faculty,

This is the first of a series of updates. As you have probably seen, the academic calendar is now available online and in print. The Fall semester begins on Tuesday, August 20, 2019, and the Spring semester begins on Monday, January 20, 2020. Faculty are encouraged to complete their course load, or at least satisfy the 15-hour requirement, prior to the end of the Fall 2019 semester.

Greetings to the new graduate students, of which 7 are international. We welcome you to the Department of Mathematical Sciences. The student body is diverse and we are proud of the many contributions from people of all backgrounds. If you have any questions or concerns, please contact us.

Katie"
